LEARNING AND FEEDBACK SUMMARY

	Uh, no			You bet!	
1. After this meeting, I have a good understanding of what is included in the Annual Update FY13-14	1	2	3	4 ↓	5
	(N=26, Range: 3-5)			4.26	
2. I am confident that we are on the right track with MHSA implementation.	1	2	3	4 ↓	5
	(N=26, Range: 3-5)			4.30	
3. My key learnings from this meeting?					
▪ The 10 innovations and the 2 proposed innovation projects. I really enjoyed the outcomes presentation.					
▪ Broader understanding of programs and some initial outcomes					
▪ How vested and committed everyone is, testimony of consumers					
▪ Components involved, complexity					
▪ Collaboration and compassion works!					
▪ PEI projects					
▪ Innovation projects					
▪ The innovation department – love it. The results of programs already in implementation.					
▪ Clearer understanding/awareness of current project status.					
▪ Update on MHSA programs					
▪ Where the funding is going					
▪ The partnership TRAC, SHOP					
▪ About the homeless					
▪ PEI, collaborative efforts with homeless					
▪ Two proposed Innovation projects					
▪ Positive success outcomes					
▪ What I took from this meeting is how important it is to collaborate with other programs and to meet people where they are at					
▪ What part the community and I play in this roll					
▪ We have to have interaction between all the different agencies					
▪ Commitments to Change: More innovative services more focus on Results Based Accountability. Focus – Building on Assets in community and BHRS.					
▪ Innovations. Collaborative documentation.					
4. What worked well during this meeting?					
▪ The presenters were genuine					
▪ Presenters were well informed					
▪ Thank you for having copies of the PowerPoint					
▪ Good mix of attendees					
▪ How information was presented, flow was good, feedback from actual participants					
▪ Good group, interacted honestly, well prepared presenters					
▪ PowerPoint, clear and succinct					

- Several short reports
 - Open ability to share
 - The length, the free food, the learnings
 - Nice open, inclusive format
 - Open discussion
 - Good presentation/speakers
 - Communication
 - All the input about the funding
 - Explanations of programs
 - Nice slides, different speakers
 - Having several speakers was nice as everyone has different opinions
 - It went very smooth
 - Enjoyed the speakers, very informative.
 - Very nice review of programs
 - Community members participation
 - Good discussions and presentations
 - Presentations were good updates
 - First break came a little too early
5. What could be improved in the future meetings?
- You are all doing a great job!! ☺
 - Chocolate!
 - Presentation slides hard to read. Thank you for the handouts that helped.
 - More engaging and magnetic speakers
 - Can't think of anything
 - Long meeting
 - What about a contact list – program name/CSS/PEI/Innovation, etc. Contact name/ # /e-mail.
Main objectives
 - We need more positive people. Also more supporting the peers.
 - More input from partnerships
 - More bodies
 - More input from different agencies
 - Provide agenda with brief outline of speakers/topics. Facilitator should tie/connect each speaker with MHSA update. Engage audience by asking more questions about audience knowledge of topics being discussed.
6. Final comments?
