

**Stanislaus County BHRS Community Services and Supports (CSS) Programs
Fiscal Year 2012-2013**

➤ **Westside Stanislaus Homeless Outreach Program (SHOP) – FSP-01**

Operated by Telecare Corporation to offer three full service partnership tracks that uniquely and successfully provide services to diverse unserved and underserved populations: Westside SHOP, Partnership TRAC, and Josie's TRAC. SHOP utilizes a "housing and employment first" approach with recovery and client- and family-centered focus that inspires hope with individuals recently discharged from a psychiatric hospital and who are homeless or at risk for homelessness and/or have been high users of crisis-based services including hospital, mobile crisis, emergency rooms, and incarceration. In addition, two Outpatient programs, Fast TRAC and Wellness TRAC, serve individuals further along in their recovery. Our new program, Transition TRAC (Discharge Team), serves individuals for 30-90 days as they transition out of an inpatient setting and access community resources.

Results: Decreased incarcerations, decreased psychiatric hospitalizations, decreased medical hospitalizations, decreased homelessness, increased employment

Strategy: FSP

Target Populations: Adult, Older Adult, TAYA

➤ **Juvenile Justice – FSP-02**

This full service partnership is a collaborative partnership with Stanislaus County Probation Department offering treatment and supportive services for high-risk youth (primarily ages 13-19) with serious emotional disturbance, on formal or informal probation, and their families. Aggression Replacement model is employed to address aggression, immaturity, withdrawal, and other at-risk behaviors.

Results: Decreased incarcerations, decreased psychiatric hospitalizations, decreased medical hospitalizations, decreased homelessness, increased employment

Strategy: FSP

Targeted Population: Children/Youth, TAYA

➤ **Integrated Forensic Team – FSP-05**

This full service partnership works in partnership with a number of agencies within the criminal justice system in Stanislaus County to offer services and supports to adults and transition age young adults with serious mental illness including individuals with co-occurring substance abuse disorder, who are homeless or at risk for homelessness and/or who have historically been high users of crisis-based services including hospital, mobile crisis, emergency rooms, probation and incarceration.

Results: Decreased incarcerations, decreased psychiatric hospitalizations, decreased medical hospitalizations, decreased homelessness, increased employment

Strategy: FSP

Target Populations: Adult, Older Adult, TAYA

➤ **High Risk Health and Senior Access – FSP-06**

A consolidated FSP program of Health Mental Health and Senior Access and Resource Team designed to serve the same target populations and utilize FSP strategies with a key addition of graduated levels of care to be added in the consolidated program effective FY10-11. The program will serve adults and TAYA (18 - 59 years) and older adults (60+ years) with significant, ongoing, possibly chronic, health conditions (i.e., Diabetes Mellitus, Hypertension) co-occurring with Serious Mental Illness (SMI) as well as functional impairments related to aging. The sub-group of transition-aged adults (55-59 years) with SMI, co-occurring substance abuse disorders

and/or other physical health conditions is included in the target population. Outreach and services to diverse ethnic and cultural populations and individuals who are homeless or at risk of homelessness, at risk of institutionalization, hospitalization, nursing home care or frequent users of emergency rooms for health care are prioritized.

Results: Decreased incarcerations, decreased psychiatric hospitalizations, decreased medical hospitalizations, decreased homelessness, increased employment

Strategy: FSP

Target Populations: Adult, Older Adult, TAYA

➤ **Josie's Place Drop-in Center – GSD-01**

A membership-driven "clubhouse" with recovery-oriented services and supports for transition aged young adults in a non-stigmatizing environment. Three service teams are located in the center: Josie's Place Intensive Services and Supports (ISS) and a Full Service Partnership (FSP) called Josie's TRAC. A Young Adults Advisory Counsel (YAAC) collaborates in creating youth consumer driven services on site. TAY-aged peer support staff members with lived experience are members of the center's support team.

Results: Decreased stigma, increased self-care, increased access to community resources, decreased need for extensive and expensive services

Strategy: GSD

Target Populations: TAYA

➤ **Community Emergency Response Team (CERT) & Warm Line – GSD-02**

The BHRS operated CERT program combines consumers with a team of licensed clinical staff to provide interventions in crisis situations. The Warm Line administered through Turning Point Community Programs is a telephone assistance program that provides non-crisis peer support, referrals, and follow-up contacts.

Results: Decreased stigma, increased self-care, increased access to community resources, decreased need for extensive and expensive services

Strategy: GSD

Target Populations: Children/Youth, TAYA, Adults, Older Adults

➤ **Families Together – GSD-04**

Offers a busy family-oriented center with support groups for youth, men, and parents/caregivers in the Family Partnership Center. The program has significantly improved supports and services for diverse youth with serious emotional disturbance (SED) and their families, and kin care providers (family other than biological or adoptive parents). Services to families include one-to-one peer support; service coordination; advocacy; respite for youth, adults, and families; transportation; and wraparound-style services.

Results: Decreased stigma, increased self-care, increased access to community resources, decreased need for extensive and expensive services

Strategy: GSD

Target Populations: Children/Youth, TAYA, Adults, Older Adults

➤ **Consumer Empowerment Center – GSD-05**

This program provides behavioral health consumers and family members a safe and friendly environment where an individual can flourish emotionally while developing skills. It is a culturally diverse center where individuals can gain peer support and recovery-minded input from peers to reduce isolation, increase the ability to develop independence and create linkages to services related to treatment of serious mental illness and co-occurring substance abuse. 100% staffed by behavioral health consumers and family members, it is a safe place where transitional age

young adults, adults and older adults can work toward independence and get support for coping with mental health issues. A culinary training program called The 'Garden of Eat'n' provides consumers and family members an opportunity to learn skills such as food preparation, sanitization, catering, and safe food practices with the goal of gainful employment after completing their training.

Results: Decreased stigma, increased self-care, increased access to community resources, decreased need for extensive and expensive services

Strategy: GSD

Target Populations: TAYA, Adults, Older Adults

➤ **Garden Gate Respite Center – O&E-02**

Garden Gate Respite Center (GGRC) is a 5-bed respite home open 24 hours a day, 7 days a week located in a residential neighborhood that maintains "good neighbor" relationships in the community and with immediate neighbors. The respite center is co-located with a 13 apartment and 1 house transitional supportive housing that together offer three levels of temporary housing (3 to 5 day respite housing; 5 to 20 day extended respite housing; and 6 months to 2 years of temporary supportive housing). Staff of the center represents diverse cultures and most have lived experience as consumers or family members of consumers of mental health services.

Results: Diverse and underserved communities are reached

Strategy: O&E

Target Populations: TAYA, Adults, Older Adults
